The Last Answer Isaac Asimov Murray Templeton was forty-five years old, in the prime of life, and with all parts of his body in perfect working order except for certain key portions of his coronary arteries, but that was enough. The pain had come suddenly, had mounted to an unbearable peak, and had then ebbed steadily.

In a bar, a last call is an announcement made shortly before the bar closes for the night, informing patrons of their last chance to buy alcoholic beverages. There are various means to make this signal, like ringing a bell, flashing the lights, or announcing orally. Last call times are often legally mandated and vary widely globally as well as locally. Legislation's purpose include reducing late night noise in the neighborhood, traffic accidents, violence, and alcohol related health problems.
