Soccer has many different positions and many different names that come along with them. Each player position has his own very specific task, from defending against opponent attacks to scoring. To simplify, we will categorize the football positions into four: the goalkeeper, defenders, midfielders, and forwards.

Soccer positions explained | Names, descriptions, field

Basic Soccer Rules. Basic soccer rules for kids and adults. Soccer is a complex sport but the rules are simple. The objective is to get the ball in the opposing teams goal. You probably new that right? Well..there are a few more rules you might want to know. The rules become more complicated and technical with the level of play.

The Basic Soccer Rules are as Simple as How To Play Soccer.

parents who have never played the game and don't understand the basic rules of soccer. In many cases like my own, parents didn't have the opportunity to play soccer in their youth and consequently have never learned this great sport. Many soccer leagues, however, are desperate for volunteers willing to help out and knowledge is not a prerequisite.
