A mail-order bride is a woman who lists herself in catalogs and is selected by a man for marriage. In the twentieth century, the trend was primarily towards women living in developing countries seeking men in more developed nations. In the twenty-first century, the trend is now based primarily on internet-based meeting places which do not per se qualify as mail-order bride services.

The Story of the Lemon Liver Flush: I magically concocted this healing elixer about 20 years ago when I lived in Sebastopol, CA. It was a very special time in my life when I lived in the Redwoods and felt very connected to nature. It was at that time in my young adult life that I embraced the gift that I could do magical and healing things with food.
