The International Baccalaureate (IB) Diploma Programme (DP) is an educational programme examined in one of three languages (English, French or Spanish) and is a leading university entrance course. It is taught in 2,075 schools, often in international schools, in 125 countries all around the...

International Baccalaureate Diploma Programme

The European patent with unitary effect (EPUE), more commonly known as the unitary patent, is a new type of European patent in advanced stage of adoption which would be valid in participating member states of the European Union. Unitary effect can be registered for a European patent upon grant, replacing validation of the European patent in the individual countries concerned. The unitary ...

Unitary patent - Wikipedia

A year or two ago, I saw the much-touted science fiction film *Interstellar*, and although the plot wasn't any good, one early scene was quite amusing. For various reasons, the American government of the future claimed that our Moon Landings of the late 1960s had been faked, a trick aimed at winning the Cold War by bankrupting Russia into fruitless space efforts of its own.
